

Interested in Volunteering?

We are blessed to have an amazing group of volunteers who help us with everything from maintenance to fundraising; BUT we can still use your help!

Whether you are simply handy around the house; interested in helping at events; or are someone who has skills or experience in leadership/governance, there is a place for you to help at WRYM. **Our volunteers make a big difference!**

If you would like to receive our volunteer application as well as ask any questions, please email volunteers@wrym.ca. Alternatively, if you would like to discuss an individualized volunteer role due to unique expertise or skill sets, we would be happy to meet and determine how your volunteer support can go help enhance the well-being of our clients and the sustainability of our organization.

WINDSOR
RESIDENCE
FOR YOUNG MEN
